

SMPO News

Greetings from SMPO. We have lot's of fun things on the horizon for our school to look forward to. First on the list is the fall festival this Friday from 2-5 at school. Please come and enjoy a couple hours of fun with your family. The 6-8th grade class has been working hard to organize this event and SMPO has assisted and augmented their efforts. There will be fun activities free of cost and drinks/popcorn for sale to benefit SMPO. I am not sure if the regular farmer's market will be happening, but surely there will be something for everybody!

Also in the works: a bread and soup dinner, school T-shirts for sale, a school directory, the Matthew Clough concert on 11-6, and much more!

See you at the festival!

**For those of you who have been volunteering, please remember to keep track of your hours. For those of you who are still looking for a job to help with, please let me know, I'll help you find a spot!
